“ I love you Uncle Hammer! I'll always be your "little Reba". I know you will be looking out for my daddy from above. You got some rowdy partners to play cards with up there! I smile at the thought of it. I take comfort in your love for God, and your faith, that you are at peace. You were a true part of our family and we'll miss you deeply. Prayers of love, comfort, and peace to all the family and friends during this time of grief. God bless you all....

*I just found out. There are very few people I have met with such a personality. I would drive over to the track from Orlando but the real reason wasn't as much the racing as it was to hang out a few hours at the peanut stand. My heart is broken. R.I P. Hammer. You will not be forgotten. I will miss you my friend.*
