“ So sorry for all of our loss....heavens gain...when my father passed...Mr. Jim and I were in the barn at a church picnic and he said to me "Its alright little girl... it will get better and with tears in his eyes he said" there isn't a day that goes by that I don't miss my dad ..but it will hurt a little less in time". And every hug he gave me after that reminded me of my own dad and the promise that someday it would not hurt so bad. I extend that promise to you Judy and familyfor the pain to lessen and the memories to never fade. Gail and Dave Johnson

“ *Jimmy along with Judy went to Indiana with Bob & me when we eloped in June of 1957. Judy went in with Bob to find out if we were too late. While they were away Jimmy asked me, "if I knew what I was doing?." I always said, "Jimmy was the smartest one of us that night." He was a wonderful friend to us and we will miss him.*
