“ *Our hearts and prayers go out to the family members of Monroe. We feel so bad that we didn't know of his passing, and are just learning of this news today. Tim worked with him and under his supervision, learned the trade of drywall. He has lots of good memories of those days, and enjoyed working along side of him for many years. We pray for the family as they grieve. God bless and comfort you all! Tim and Sharon Bailey*

“ *Monroe has a very special place in the Hall family's heart. We shared many gatherings cooking, riding jet skis, fishing on the pontoon boat for specs, airboating and a memory of Monroe giving Jacob his 1st dollar to buy "a cold beer" mind you he was 3 at that time 😂 20 years later that seems like yesterday. We will cherish those memories of our days together at Camp Rosalie. We love all the Monroe Miller Family!!! Love Karla, Larry, Justin, Jessica and Jacob.*

“ *Unc was a small man, with a BIG heart. He had the Miller temper but it was never directed at me. Growing up next to him, he always had time for me. He once gave me a bunch of spray cans, he told me there was a special marble inside each can. He handed me a screw driver and a hammer, after what feels like for ever the can exploded open...I was covered in silver paint. I loved it and beat on most of the cans till I got the shiney marbles lol! On my birthdays he always gave me a pocket full of change and a ride to the store. I loved watching him mud sling...he always won. In our later years he would meet up with my daddy, me, and my husband on Wednesdays at the flea market...then the brick house for breakfast. He loved bananas! I'll always love and miss you Unc!*
