“ I can't think of just one there are so many times that he had just blessed my heart. But he always went out of his way to make me feel special not knowing that some days I really needed to here that from someone. He gave me power to keep going and doing what needed to be done without even knowing it, thank you for that and to the family for sharing him with us all he was a blessing to know even just for a hand shack at the door.

“Joyce, you and Jim were our best friends in Shaklee. You both helped Bernie and I right after my Mom passed and I will never forget it. Plus you showed me how to make Cube Steak and I passed that recipe on to many people! Our escapades with Shaklee Conventions are fond memories. I pray Bernie and Jim are greeting each other in Heaven! Hugs, Claire

“Aunt Joyce, Sheila and Allison and your families - I am so sorry for the brand new hole in your hearts. Uncle Jim was a kind and loving man and I remember first meeting him and his Southern accent that we all made fun of but loved - and loved him. He was always ready with a hug. Our hugs back to you. He is missed by his Michigan family.
