“ Ronald, Sylvia, Leo and I go back to high school. Leo had graduated from TCHS in 1958, Ronald and I in 1960 PCHS. We all went to the drag races, then we had Corvettes and would just cruise around. Then we got Motorcycles.....Sylvia could out ride Ronald.....and we would go cruising and to the Croons. Then, we got horses and would go riding. THEN, we had children . I would stay with Ronald and Sylvia when Leo worked out of town. Leo is the one that started calling Ronald, "RP".
Lots of wonderful memories. Love you❤️❤️

“ Ron was a great friend for many years. We were neighbors and became family. RP as we all called him loved his boat. We made a trip from Plant City to Okeechobee crossing through the various locks. At the last one before we got to the lake, the lock was down. We all had to go find the caretaker and then guide the boat through by walking it out. RP and my late husband could fix just about anything. Many great memories of a good friend who would truly do anything to help. God bless the family. REST IN PEACE R.P.
