“ My thoughts and prayers are with you all. I remember meeting Mr Pollock for the first time when I visited. Becky at their Pennsylvania Ave home. He was always so happy and willing to share his life journey and lessons. As a young teenager i remember how he made you feel that your life was an open book and all you needed to do was begin writing tht chapters. Heaven is Blessed to receive Mr Pollock

“ I practically lived at the Pollock house in my younger years, playing and hanging out with Debbie and Becky. Mr. Pollock always made me feel welcome , with a big smile on his face calling me " Ginny Lynne " . He even kinda smiled when my cat followed me over one day , climbed on the pool screen and promptly fell in through the new screen and landed in the pool ! I was so embarrassed but he made me feel like it was okay. I love you Pollock family and my heart aches for you right now. Much love to you all.... Ginny " Lynne " Galloway McLeod.

“ *I will always remember "Jimmy", he was one of the best men that I have ever known. I repaired Jim and Dottie's TV back in the 50's when they lived in Dover Heights before they moved to Pennsylvania Ave. They were such incredibly good people, that when you were in their home they made you feel like family. I will never forget when he built the Truck Stop on Hwy. 39 N. There was a huge sinkhole on the property, and I didn't think there was enough dirt on earth to fill it.*
