“ Janda was a loving, caring, wonderful person. She possessed a servant's heart and was never happier than when she could help someone. She was absolutely devoted to her mom and was genuinely shocked when her mother passed. Doris had always managed to overcome the injuries she would sustain from her frequent falls. None the less, even with brittle bones and poor balance Doris would try so hard to keep her independence and get up without Janda by her side. Like mother, like daughter, Janda fought to the bitter end to keep that joyful independence. I am just so sorry that I was not with her at the end. I am so terribly shocked and so sorry that she is gone. She was a wonderful cousin and a devoted friend! RIP Janda.

“ Phillip & Kathy,

*Janda was an incredibly caring person and left a strong legacy with our family.*

*She exemplified what 'true caring' meant because of her actions. She acted without hesitation if there were needs of others and not only family.*

*Mom, dad, Brenda and I were beneficiaries of her acts of kindness in hours of need.*

*Some of her kind deeds involved mowing mom's yard, bringing food in when needed, especially for funerals, speaking kind words of encouragement & doing errands for Brenda and I while we were caring for mom and dad. She was always willing to be there and do whatever was needed for others. I wish more people were like her. The world needs more 'Jandas'.*

*Phillip, it has been so many years since I last saw or visited with you. I am truly sorry that our paths have not met. I pray for you and your wife as you go through this time of grief.*

*Sincerely,*

*Dennis & Kathy (Wise) Flentge (Bill and Hilda Wise's daughter)  
Cedarville, Ohio*
