“*Mrs. Collins, you were always a dear friend to my mother and all of our family. I always loved talking to you especially since we are both conservatives. You will be missed by all those whose lives you touched. Donna Campbell Sizemore.*

“*When I think of Mrs. Collins, I will always remember her wonderful spirit and kindness to all around her, and her spunkiness, and her love of her garden, birds feeding off her front porch, and the horses and dogs that she loved so much.. It was a privelege to share Sunday lunches with her and her family members and friends. My heartfelt condolences to her family and to all who knew and cherished her. Jennifer Fogle*

“*When I think of Aunt Jane I hear the sound of her laughter at hearing a good story about something that happened with her family back home in Australia. She and my Mom could talk and laugh for hours.Her mind was active even when her body would no longer allow the physical activity she was so used to.Our trips together were great to remember\_\_she was interested in everything. Aunt Jane loved her family,,friends,and all creatures great and small--- especially horses and dogs. She is loved and will be greatly missed by us all.*
