“ I met Mother Phillips through her son Don who was our neighbor and we became great friends. I would often visit her at home and just sit and talk, she always brought a smile to my face. Our deepest sympathy goes out to the Phillip Family from the Green Family, we love y'all...!!! Dan, Debra, Dante, & Danielle.

“ I am honored to have been your neighbor for 15 plus years, having the kids take you a dinner plate when I cooked something you loved so much. I will always cherish sitting in the garage talking and getting advice from you. I will miss watching you work so hard in your yard making it the most beautiful yard on the street. I tried hard to match yours lol! The kids riding in the driveway , Karis taking prom pictures in your yard. George going over to check on you. Memories I will hold dear to my heart forever Abbie Jane!! I love you..I know God has you tending His garden in Heaven!
