“ Janeen had a fire for the Lord, she shared it with everyone she knew and was a faithful servant to those needing food, a bed, a bike, a stove or more. She was a angel for the Lithia area bringing food to those who were hungry through her food bank and the many hands to help with her much needed ministry. Now she is sitting at the feet of Jesus. Blessing of peace and comfort to the family as she can now rest. My husband Gary & I helped order food and fill food boxes when we lived in Fishawk.

“ What an example of Christ. Janeen and Wayne selflessly have given of themselves for years to the Lithia community. She was already a living miracle for so many years. The Spradling and O’Keefe families send our love. Well done, my good and faithful servant.
