“ To my beloved baby sister. I want you to know that I miss you and love you so much. I know that you are in a better place than I am but you can call it selfish or what ever you want to but I was not ready for you to leave me and daughter and two of the greatest grandchildren in the world that love you so much and that their hearts are truly broken. Just know Janet that you will be in our hearts forever and that will never change. And I want you too know that I found your penny from heaven. Kissed and put it in my pocket. Will never forget it as long as I live. Love and miss you. You will always be in my heart. Rest in peace you beautiful angel. I know you will be watching over us , love & miss you so much baby girl forever and ever 🎈🥹!!!🎁!❤️🎈
