“ Janet was a very special sister! There was nothing she wouldn't do for us. We shared lots of good times. Her favorite was our sister trip to California and Reno. We had lots of laughs and great times seeing the with e country and Yosemite.

I am so happy she was with Dale and Jules for the months she had left. Jules was a wonderful care giver when Dale was working and they both took such good care of her until she passed.

She will be missed but we do have such good memories of her and she will always be with us!

Loved you lots Janet

“ Thank you grandma walkie for being in MY life for 35 years. The summers I spent with you were priceless. Now I have the golden heart necklace that you gave me two years ago that grandpa bill gave you so long ago...you always told me that no matter what...you both will always be in MY heart and will be looking after me. I found that necklace and now wear it everyday knowing that you both are looking down at me with light and love. Thanks also for the David winters houses that you gave me a few years ago. The ones that I remember trying to find the one mouse that is on each one of them. RIP I know you finally are with the people you love....and you can look down upon the people that TRULY loved you.

“ Dale & Jules,

Our hearts are heavy at the passing of Janet. She was such a sweet, fun and kind person. Janet was blessed by the love you both showed her as her caregivers. Lifting you up in prayer during this difficult time.

Matthew 5:4 - Blessed are those who mourn for they will be comforted.

Love you both, Bud, Rocky & Ally

“ Janet was a wonderful, kind step-mom who filled an empty hole in my heart. She made my dad happy for 30 years and now they are together.

Grandma you are truly missed wish we would have known you were ill but like everything else it was kept from us. Now that you are free you can look down and know the truth! We love you forever and always R.I.P.

We all would like to think death brings out the love in a person but sometimes it does the complete opposite. Prayers go out for you and your sister Melissa I know you're grieving and I wish I had the comforting words that only a family can hold but all I can say is there's always a brighter day and your grandmother is looking down at you smiling. R.I.P love you!
