“ She was a wonderful person, caring, friendly. I have many good and happy memories of her when I used to help Kenetha babysit with the boys. We always had a GREAT time @ Aunt Jan's. I know she will be greatly missed and we will all see her again because it's certain where she is. My thoughts are with all of you.

“ *Mom was the most amazing lady who lived to travel, especially cruises. She loved everyone she met and her family was always her top priority. She always lived with Jesus in her heart and shared that with all she met. Mom always knew when anyone needed a hug or a kind word. She enjoyed going to the grandkids fine arts and sports activities, movies and even joined on their parties by baking something fun for them. She will be missed but one day we all will see her again.*
