“ I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.

“ *I will miss this sweet lady. What a blessing she was to so many folks, in so many ways. I can just imagine her now, totally pain-free, wandering in amazement through the heavenly home she so often sung about over the years. Just imagine--she made it! Heaven is her home now! And we all will see her again, someday soon, when there will never be goodbyes or tears. Blessings, Rollins family, you're in my thoughts and prayers. - - Neil Ruda*

“ Jan and her husband have been our close friends for many years. We have worshiped together many times throughout the years. It would be hard to pick out a single memory because we have so many. Janice was a very talented lady. Not only was she an excellent musician, singer and teacher..... she was a talented seamstress. I have several personalized gifts in my home that were made by her loving hands. We always enjoyed being with Jan and her family..... worshiping, fellowshiping, or just "hanging out". She loved her family and others very much. We will forever miss this special lady down here, but we look forward to that great reunion day when we will meet again. Our love and prayers will continue to go out to Gary and the family. God bless.

Jan Rollins was a wonderful example of a Christian women. She always came into church with a smile on her face. She loved God and "sang from her toes" when she led singing. She always followed God's leading and her songs always complimented what the pastor was preaching. She was dedicated to the Lord and her family. She will be missed by all who loved her.

Jan initially hired me as her oncall at Edward Jones. I went on to my own office in Lakeland but we stayed in touch with great conversations. I was blessed to have known her. She was a great lady and I will miss her.
