“ Janis has been my dear friend and school mate for 78 years. We started kindergarten together and graduated together. I have shared many happy days with Janis and her wonderful family in Berrien Springs. We have kept in contact for these many years and I will miss her a lot. I just found out from another classmate, Arletta Brunke Fritz. Rest in peace dear friend.

“ I was saddened to learn of Janis' passing. My sympathy to her family. We were both originally from Berrien Springs, Mi and were members of the class of '50. She lived in Florida much longer than I. After moving around a bit with my husbands work, we retired to FL where our son and two grandsons live in the Gainesville area. Janis & I had a lot in common and kept in touch. Several yrs ago when visiting Florida; she had a couple of our old classmates over for strawberry shortcake. Plant City is known for their strawberries. In more recent yrs we kept in touch by the Internet or telephone. We both shared our love of the lord. She was a good person and I will miss her. May she rest in peace.

“ *Miss Janis, was my landlady for almost 2 years she was the sweetest most gentle woman I have known In,a long time. We use to laugh about Charles so much. We enjoyed sharing magazines . I will miss her but will see her in heaven someday because I know she loved the Lord so much. My prayers to Charles and the children , May God be with you all in this hour of need . Miss Janis wish would be for you not to mourn her but to honor her. Families need to stay close and hold on to each other in this hard time. My thoughts are with you all .
