“ *Jason,  
I have several wonderful memories of you. One of them I know you would remember. L.O.L it's probably inappropriate to share, so as of now I'm keeping it to myself. Although You would probably think it was funny if I shared it, The average life span is a little over 27,000 days. Like the Bible says, it a vapor in time. God always wants the Good ones back earlier. Can't Blame the Lord for that. Until we meet again Love Ya!*
