“ Our paths crossed due to our mutual interest in theater. Although Jayson was many years younger than my sons, we became friends. We were in 2 plays together and he subsequently sought me out for a part in a movie project. I became involved as an actor in the movie. It became a learning experience which I would likely never have experienced if it were not for Jayson being a part of my life. As a result of the experience, I became acquainted with his beautiful wife, Tanya and was pleased to learn of the birth of his daughter some time later. We had fallen out of touch and I had not heard from him or about him for several years, but I had not and will not forget Jayson.

He will always be the sometimes intense, always thoughtful and kind, talented young man and a friend that shared a part of his life with me. My thoughts and prayers are extended to his wife, daughter, parents and loved ones. Larry Sprinkle

“ Tanya, you have so much to be proud of and celebrate about the life of Jayson. He was one of Joe's only true friends, and you could see how much he loved and adored you and your beautiful daughter. Your loss is incomprehensible, but know that God will give you strength and grace and courage to get through.

“ Jayson and I worked together on several movie projects, but my favorite thing about him was his sense of humor and lightness of heart. Bryan, Jayson, and I would share our nerdiest interests on Facebook or he would just comment on one of my dumb posts with simply "SMH" :) You will be missed bro. ~Shawn

“ Tanya, I didn't know Jayson personally, only through people that loved him. I wanted to share what stood out the most to me about him. It was the look in his eyes when he looked at you and your beautiful daughter. The way he would light up when the three of you were together. My heartfelt sympathy to you and Jayson's family and friends. ~ Jennifer
