“ *Our deepest sympathy to the Belveal family.*

I had the blessing of knowing Jean on an intimate level for the past 19 years. She was an extraordinary woman. Her love for others and Jesus Christ was always present. She was a great example to me and my three lovely daughters. She cared and watched over our family. She was a very loving, loyal, hardworking and unselfish dear friend of mine. She was my mentor. Someone who I trusted immensely and sought advice from over the years.

Our love, thoughts and prayers to the Belveal family during this sad and very difficult time.
