“ I never knew it would hurt me this bad to lose you & I never thought Lindsay & the kids would not be a part of my life. I'm sorry you had to pay by not being invited to the baby shower for Oaklynn and yet the family who did nothing for any of them was center. Your granddaughter is someone you wouldn't even recognize with the stuff she has pulled, things I never did to you nor Daddy but she justifies it all cause it's all my fault. What hurts the most is none of them seem to miss you as much as you did for them all and I can still barely function. I miss y'all so much. I don't feel like I have a family at all now & don't know why I'm still here. I love y'all.  
Happy Anniversary in Heaven. 67 years... ❤️.

“ Dara, Sandra, and all the Jent family, My thoughts and prayers are with you during this time. I only met your mom a few times during the last couple of years but she seemed like a great lady. I could tell just how much she loved all of you by stepping in her house. There were pictures galore.

I know she raised two amazing women. That is reflected through both of you. I wish I could say something to ease your pain. I am glad I got the chance to know Mrs. Jent, and I'm so happy you are a part of my life, Dara. Love you

“ I miss you mamma. Kiss daddy & Dwayne for me. My heart is so broken but I'd much rather be broken than you in pain. I love you.
