“ My mom... a truly great and wonderful woman. She was the kindest and most loving mom I could have ever wished for...and yes, I may sound a little biased, but she proved her loving greatness to friends and family, time and time again. She welcomed you into her heart, no questions asked. Even friends of her children would eventually start calling her mom... and she always welcomed that... and would treat them all as if they were her own.

She lent her strength and wisdom to whomever was in need.

She was a mother, grandmother, great grandmother, sister, aunt, great aunt... and a true friend to many...

Testimonies from any and all who knew her, told of her caring and loving ways. My mom... whom I consider the Matriarch of our large and extended family, will truly be missed by all who have known her. She blessed us in so many ways, it would difficult to list them all down...

Be at peace mom... it was truly hard to say good bye to you today... be happy and joyful in heaven with all the family and friends who have been waiting for you... Think often of your earthly family, as we await our time to see you again...

My mom... a truly great and wonderful woman...

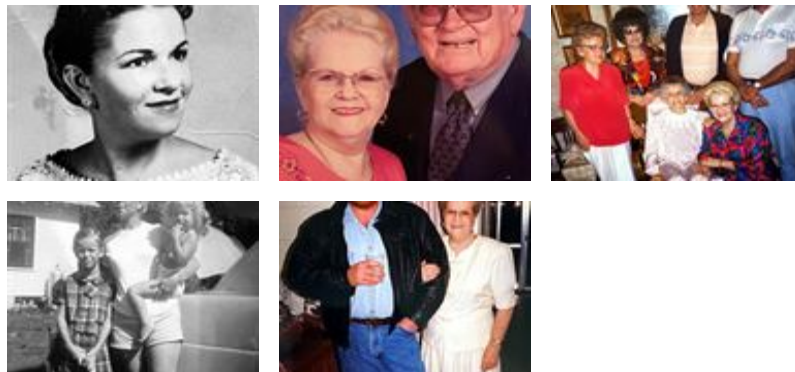

With all my love, your son...Timmy...

“ *I shall never forget the care and kindness Aunt Jeanette gave to my father, and I will always remain indebted for her attentiveness to him as long as I shall live. Jean, Pam, Terry, and Timmy, I share in the sadness of the loss of your mother. Rest in Peace, my dear aunt.*
