“ I didn't realize Mrs. Giberti passed away until recently. We were neighbors while growing up and thought so much of the family. Praying for peace and comfort for this family, especially during this first Christmas season. She is celebrating her First Christmas in paradise with her loving husband. My mom is, too! With Much Love, Peggy Gardner Adams and family

“ Jeanne was the first person I met when I moved into the Lakes retirement community in Plant City years ago. I enjoyed her welcome and the gab fests on her "Gab Pad" so many times. She was such fun. As one of my best neighbors, she has been missed since she moved to Coventry. She gave me a start of a plant she said was from Bill's Bar and Lounge landscaping. The plant reminds me of her, as it continues to grow and add to my area. I am blessed to know her.

“ *I will miss so very much visiting my sister when I come to Florida for the winter. My friend Murray and I would spend time there at Coventry's Christmas party and many other times when in Florida including her Birthday parties at Champs. We lived in different states for many years but I still have wonderful memories of our visits together and loved her dearly. God bless her and all the family. Love to William, Deb, Kim and Charlie.*

“ To all of the Giberti children: A beautiful tribute to your mother. She was indeed everything that was stated, and she is very proud to be remembered so lovingly.

Ms. Jeanne was so good to be growing up in Plant City, from giving me rides home from school so that I could get my cheerleader uniform on in time for the away games to treating Deb and me to a cherry cola from the bar. I have been truly blessed and fortunate to have been able to personally thank and reminisce with her these last few years as I visited my mother and Ms. Jeanne at Coventry. May you rest in peace with your beloved Bill.

Although I only met "Nana" once on New Year's day, she was a wonderful person and the service was beautiful. Such a tribute to a strong, fiesty lady!

Ms. Jeannie lived in Coventry while my mom was there and my momma just loved her, as did I. When we took momma out, and brought her home to pass, I told Ms. Jeannie that I would be back to visit her, but I didn't make it. I am sorry Ms. Jeannie, but now you are up with my momma. Please tell her hello. Momma thought you had the most beautiful blue eyes. :(
