“ *Jeanne was my wonderful friend. Forty-eight years of friendship. I met her when I was 18!! The Years go by so fast. We didn't think about getting old or death. We were too busy laughing!! Working! We had fun at our job. She was the best boss ever. Then we became life long friends. How do you put all those years into a memory? I will miss our conversations and how often we could make each other belly laugh. Our sense of humor matched and we said the craziest things! She tried to teach me piano. She was there for me when I had my babies. She tried to teach me manners. I have so many fond memories together. I WILL MISS HER.* Jan Stallings
