May God's peace overwhelm your family during this time of grief. I had the opportunity to know Jeff through my cousin Jeremy and consider it a privilege to have crossed paths with him. Just a couple weeks prior to his passing he was on my mind and I had asked about him. I have many fond memories of spending time outdoors with him and our family. I smile when I think of the times we got to hang out together. He was genuinely enjoyable to be around and full of life, humor and passion for life. May his girls remember all of their happy memories together and as they grow up may they push through life with a vigor and passion for life until they meet up again with him. - Much Love and Prayers, Milisa Taylor

“ *Im aware of the limited visitation for services these days, so please know that I will be there in spirit. Hugs for the entire family...
Jeff was such a joyful soul. My fondest high school memory was riding around Walden Lake with him and Tammy playing “Beautiful People” at 1000 decibels,,,,,at around 3 in the morning. We all laughed uncontrollably ALL night long. I still chuckle when I think of that night because of the great fun we all had,,,,, literally doing nothing at all. :-)*

Rest in Heaven, dear Fro.
