*That remembrance had so many styles that Jeffery was from a model to a great football player. But most of all he loved his family more than life He grew up with Daniel and Kris and with me and his uncle Irving spending the nights with us and we had great times and made great memories....He will be missed so much ....his kindness and his peculiar personality that made you laugh and cry .. God let us have him and he needed him back so we can give Thanks to God for allowing that sweet special time on this Earth for one-day we will all meet again with our loved ones ....Thank you Jesus for that... Love you Jeffrey you was LOVED BY SO MANY.*
