“ The death of someone you love takes more from you than that person. It takes away the life you knew and the life you were planning for. It takes away the relationships you had with everyone else around you and redefines them. It takes away confidence, self-esteem, and the feeling that you ever had any control over your life. What death takes away is irreplaceable.

“ *If tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
All filled with tears for me;
I wish so much you wouldn't cry the way you
did today,
While thinking of the many things, we didn't get to say.
I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too;
But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,
And said my place was ready,
In heaven far above,
And that I'd have to leave behind;
All those I dearly love.
But as I turned to walk away,
A tear fell from my eye
For all my life, I'd always thought,
I didn't want to die.
I had so much to live for, So much left yet to do,
It seemed almost impossible,
That I was leaving you.
I thought of all the yesterdays,
The good ones and the bad,
I thought of all the love we shared,
And all the fun we had.
If I could relive yesterday,
Just even for a while,
I'd say good-bye and kiss you
And maybe see you smile.
But then I fully realized,
That this could never be,*

*For emptiness and memories,
Would take the place of me.
And when I thought of worldly things,
I might miss come tomorrow,
I thought of you, and when I did,
My heart was filled with sorrow.
But when I walked through heaven's gates,
I felt so much at home.
When God looked down and smiled at me,
From His great golden throne,
He said, "This is eternity, And all I've promised you."
Today your life on earth is past,
But here life starts anew.
I promise no tomorrow, But today will always last,
And since each day's the same way,
There's no longing for the past.
You have been so faithful, So trusting and so true.
Though there were times you did some things,
You knew you shouldn't do.
But you have been forgiven, And now at last you're free.
So won't you come and take my hand, And share my life with me?
So when tomorrow starts without me, Don't think we're far apart,
For every time you think of me, I'm right here, in your heart.*

“ I see the countless Christmas trees around
the world below
With tiny lights, like Heaven’s stars, reflecting
on the snow
The sight is so spectacular, please wipe away
the tear
For I am spending Christmas with Jesus Christ this year.
I hear the many Christmas songs that people hold so dear
But the sounds of music can’t compare
with the Christmas choir up here.

I have no words to tell you, the joy their voices bring,
For it is beyond description, to hear the angels sing.
I know how much you miss me, I see the pain inside your heart
But I am not so far away, we really aren’t apart.
So be happy for me, dear ones, you know I hold you dear.
And be glad I’m spending Christmas
with Jesus this year.

I sent you each a special gift, from my heavenly home above.
I sent you each a memory of my undying love.
After all, love is a gift more precious than pure gold
It was always most important in the stories Jesus told.
Please love and keep each other, as my Father said to do
For I can’t count the blessing or love he has for each of you
So have a Merry Christmas and wipe away that tear
Remember, I am spending Christmas
with Jesus Christ this year.

“ *At the loss of a dear sweet child*

words cannot explain,

how much the heart is broken,

or how awful is the pain.

"Why doest Thou take little ones?"

I asked as I knelt to pray.

I felt His spirit telling me;

"They are too pure to stay."

I had the warmest feeling

That my child is happy and waits,

until we are together again

past Heaven's golden gates.

Time will reunite us.

In not too many years.

In heavens place, we'll embrace

and joy will replace the tears.

*When we as humans in a time of grief cannot express with words,
we look to others for guidance and wisdom.*

You walked this earth as an angel and I feel comforted knowing that you are watching over.

You and Richie have done an amazing job raising those boys and you will live on forever through them.

Watch over your family and friends, and in time we will meet again.

You will be missed dearly and remembered with love and memories.

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

“ I only have limited memories about Jennifer. We grew up with separate lives and seldom saw each other. We never got the chance to be so close due to unexpected occurrences in our family life. All I can say is that she was a bright and beautiful spirit gone too soon and I regret there wasn't enough time to share our life's journey together.

Take comfort that Jennifer is now with our Creator. She will forever be in our hearts.
