“ Didnt he work at one of the funeral homes in high school? I was home babysitting, and talked. We were friends, and I see he accomplished a lot. May he rest in peace, and his family be comforted during this sad time.

We didn't date. My memory is, how can you work there? We all have to pass that day. So, so sorry. If I mixed him up with someone else, it is possible. I have been gone for over 30 years. Bless him for his service!

“ I am so sorry to hear that Jerry has passed. He fought a hard and long battle. I am blessed to have many fond memories growing up around the Harrington Home. They were all amazing people. Jerry was always kind. He will surely be missed. I pray God will be there for his family and give them peace knowing he is a much better place.

“ This has been a very sad time for me and my family to hear of Jerry's passing. Jerry and I grew up together at Disney World. Jerry and I shared the same role and shift at Disney for 16 years. We carpoled for many years until job role changes and schedules did not match up well. Many happy, fun times; both at work and after. My wife and I moved to Colorado and have just moved back to Florida and this news.

Jerry, I love you like a brother, you know. I wish we had more time to spend with each other. Life is too short....and to me very, very sad. To Terri and the boys, I will never ever forget your husband and father. He was a good, solid, intelligent man. I will miss him very much.

All our Love,

Dan and Siri Berberette

“ Jerry was such a sweet man and the love of my dear childhood friend Terri. 💕 My fondest memory of him is him meeting me and my 6 children at the gate of Animal Kingdom at Disney world. I was a single mom and no way I could have afforded that adventure. He had collected enough unused employee passes from him & his work friends to get us in. It is still one of my children's favorite memories. Truly a beautiful soul. 🌹
