“ *Miss Jessie was always such a power house. I loved going to her home when she still lived in Brandon years ago. You never know the impact of how a person will affect your life, Miss Jessie was always so put together, be it working in her yard or dressed for an outing. I was Blessed to have Norma as a Step Mom for a while and a good friend for life. The Newsome family is well known in the Plant City area and they have touched so many people throughout the years. Miss Jessie was ever so proud of her children, and in turn her Children made her proud. Our life paths have since gone in different directions, but you never forget the ones you loved. Heaven has gained yet another Special Angel to watch over us from above, Miss Jessie I wish you much love. Wanda Moore McCullers*

“ *Norma was my first friend when I moved to Brandon, and Ms. Newsome welcomed me into her home with much grace and warmth. She was a sweet and kind person and it was my privilege to know her. Blessings on Norma, Buddy and on all of her family.*
