“ When I think of Jimmie I think of our son John Holley growing up together just 3 houses apart on Hilda Drive. I see two little boys trying to build a little snow man in his front yard after Tampa’s historic snowfall. I see them racing down the sidewalk on their Big Wheels and later as they were teens jumping off the roof of Jimmie’s house into the pool...until they got caught! I remember lots of Christmas Eve parties, and birthday parties and fishing trips and Brandon Eagle football games. As a grown man Jimmie was always kind and considerate and had a great sense of humor. We will miss him. Uncle Byron and Aunt Sondra

“ My brother was the kindest, sweetest man I've ever known. Even though he was five years my junior he taught me many things and we shared some very special times. The memories we created together will always be there for me to reflect on and smile and cry about. I cherish every moment we spent together and look forward to the day we will unite in Heaven! RIP Brother! I love you man!!!!

My cousin was a kind man. Everyone I that knew him loved him. He was there for me in so many ways of my life especially as we grew to adults. I e always been so proud to be a Johnson, surrounded by the love my grandmother founded , and even more proud to have had such a large family. Little Jimmy was one I was so proud to call my cousin. He will be so missed. He was one if a kind, amazing friend, father, cousin, and all the above. I'm so deeply sorry for your loss.

“ Jimmy and I were in kindergarten together at First Baptist Church of Brandon many years ago. He was always a kind, sweet boy. We grew up together at the same church and attended many of the same schools. We went to Yates Elementary and Mann Middle School together. My thoughts & prayers are with his precious family.

Jimmy, my sweet nephew was kind, compassionate, and considerate among many other virtues. He was always willing to lend a helping hand. I appreciate him sharing his life with us and also his children. I love him and will miss him dearly. I'm looking forward to that grand reunion. What a day that will be!!

I had the privilege of being Jimmie's first grade teacher. Even as a young boy he possessed the same qualities he had as a man. He was smart, kind and caring. Jimmie was a hard worker and loving dad. My prayers are with his precious family. Mary Gonzalez
