“ Jimmy I miss you more every day . Our 31 years together saw us through a lot of good times and bad, our love for each other always made it through the bad. We helped each other in times of sorrow like this and this is the hardest I've ever had to deal with . I really miss not having you to hold me through this, I love you baby.

“ *Those we love remain with us
For love itself lives on,
And cherished memories never fade
Because a loved one's gone.
Those we love can never be
More than a thought apart,
For as long as there is memory,
They'll live on in the heart.*

“ I believe in the Father and the Son and Holy Ghost...I believe Jimmy is in a better place..I believe we should celebrate his life and not our loss...although our loss is great I know for his wife and son...but because I believe In Jesus there is no pain where Jimmy is there is no more suffering no worries no doubt..no struggles..Our God is an awesome loving forgiving God and I believe Jimmy was welcome with arms wide open into Heaven where Streets are made of Gold and I believe he walks them with my Aunt his Momma Shirley I have no doubt.

I would like to share a memory Jimmy and Kenny: they are older than me. When I was small and my Granny was still alive in the summer time all my Granny's Children tried to all come together. Some would come from FI like my aunt Shirley and her boys my sweet Aunt Bessie even lived in FI for awhile some came from St.Louis, Aunt Dorthy came from Mi until she moved to Tenn. Aunt Cheryl and Darvin from Indiana..This summer reunion was a big deal to me..because I had some cool cousins that were older than me they had cars..Jimmy lived close to a beach and I only got to hear stories about and I couldn't wait to see them...anyway..I say Jimmy a few months back and right away he knew me and not alot of my family know who I am right away I have to say I'm Cledus's daughter Jennie then they go ohh ok...but not Jimmy he knew me...Just like it says in the Bible God if you know him he will know you by name and if not then he will turn and say for I know you not...and I believe Jimmy is rejoicing he's struggle is over. ...and he is the one now joined with our loved ones watching and hoping that we all can join them one day...I miss you Jimmy and Loved you and know you are the one I will still be looking up too!!!..much love....jennie marie ousley...love never fails...
