What a beautiful video of my friend jimmy. I have alot of great memories of jimmy and am very thankful to have known him for 20 years. He was a good business man and a better friend. He was a very nice , respectful, kind and caring man that I admired and will always remember as my buddy. Thanks jimmy for being you, see you on heaven buddy!

“ Jimmy became family to me when his Uncle Bell H. Inman married my Mom many years ago. He was very kind to a young preteen girl who became family. I came to love him and his Dad (JD) very much as well as Gramma Inman. My heartfelt sympathy to his remaining family members. God Bless you all. - Kathryn McGowan Grimes.

“ Heaven has gained yet another good man!! I will always remember spending time with Lori when we were little girls and thankfully have the memories that will forever live on. I know that you are loving fishing the shores of Heaven...maybe even with my Daddy cause I'm sure he was there to show you the ropes :-). Between the two of you I'm thinking someone is gonna get in trouble!! You will always be missed and loved. Lori and family you are still in my thoughts and prayers and as always I'm here if you need anything. I love you!!

“ *Daddy I miss you dearly I really do I know you are in a better place with God but it doesn't change the empty feeling I have with you not here, I wish I could just here your voice once more telling me you love me I miss that everyday and for the past few weeks I know you could here me and know how you looked at me when I said I love you I knew you loved me as well. Daddy I miss you more than you know and I love you I will still talk to you every night and tell you I love you and I'll talk to ya tomorrow just like always and one day we will be together again and when that day comes I know you will know where the fish are and we will be fishing again like old times. I love you and rest on peace with God...you will always and forever be in my heart and with me. Until we meet again daddy good night and I love you.*
