“ *Debbie, Becky and Dale and all other friends and family. This was such a shock we all loved Jimmy Dale and we're all going to miss him, we all have memories that we can hang on to I know it's difficult and it will be for a long long time. But know that everyday he will be remembered and his family will be prayed for. I will pray for the comfort of you all, and I am telling you this with a broken heart.*

Thank you Judy. I (we) will miss Dad so much. I wish I could say I understand but there's no words right now that can make it easier. Dad was the one at everyone else's side when they were sick or hurting. I wish I could of been at his side. Thank you for the prayers for our family in our time of grieving.
