“ Mom,

Words can't express the grief I'm feeling right now, I've tried to be strong but I miss you so very much. And I know I'm being a little selfish because your with Johnny, Grandma, Grandpa and your Brothers and Sister, I can only Imagine the joy you must be felling seeing them again and right now, knowing that is the only thing that brings me comfort. I know that you are the only one that I can't hide from and you can see all the pain I am feeling, I also know how worried you are about me but I promise you I will be okay. I love and miss you so much but I will carry your memory with me very single day for the rest of my life until I see you again.

Tell Johnny and everyone that I love and miss them too.

Love eternally, your son;

Jimmy

Joan I will miss you so, but will cherish the memories. They and you will never be forgotten

Sandy Scheuneman - March 27, 2015 at 12:46 PM

Joan, you never made me feel anything other than family. Even after Gary and I were no longer together, I will always know that I was a better person to have known you. I could have never wanted a more kinder person to have been my mother-in-Law. To the rest of the family- I say, stay strong, you will make it through. I will keep all of us in prayer as we go through this time.
