“ *Mrs. Joan was a really close friend of my moms . I knew her since I was a little kid. She always looked out for everyone and she loved and took care of her kids and grandkids and great grands. She was very nice and sweet and gave good advise. She helped me get my first job and she was a pleasure to work with. She was always a very hard worker and got the job done right. She was also a great friend to my mom and I know my mom misses her dear friend. My condolences to her family and friends. I am sorry for your loss....
