“ My condolences to the family Jody and I worked at mosaic together and I know that he’s going to be missed we had a great relationship and a lot of fun times together especially when we had our chess matches he was sooo competitive and hated losing (like most of us) and man could he talk smack it was truly a joy and a pleasure to be his friend as well as his coworker as I sit here writing I am laughing at some of our conversations,he truly was a wonderful person and a very hard worker and he really loved his family. I’m glad that I had the opportunity to be with him and to know him. Praying for you all.
