To my wonderful loving Mom, I will always miss the love and friendship we have. I never thought we would be saying good bye. I never thought there would be a day when I could not come to you and ask for your advice or get a hug or even kiss you on the cheek. My heart breaks with all the sadness a heart can bear. You've shown me how to act like a lady, be a great mother and gave me the inspiration to be able to be anything I wanted. You will always be missed. I love you Mom!

“ Merry Christmas in Heaven Mom. I know you're celebrating with Daddy, Mike, Granny, Papa and everyone else that no longer walks on this Earth this year. Christmas wasn't the same as it has been in the past since you're not here. I miss cooking with you on Christmas Eve and Christmas morning. All of your pies, cakes and even your turkey and dressing will be forever on our tables. I hope everyone in heaven enjoys dinner with you this year. Tell Mike, I still haven't managed to grow four arms. I love and miss you dearly.

Love Always and Forever,
Your Daughter,

Laurie Ann

“ My prayers and sympathy to Sharon, Wade and the other members of Joean's family at this sad time. God knows the pain that you are feeling and He will be with you through all of the days ahead. Losing our loved ones is one of life's most difficult times, but we are very blessed when we look back on the many memories that we have from all the years we shared together. In Christian love, Jean Brady and family.

“ Our hearts and prayers go out to all those who had the pleasure of knowing her, especially. her children, may God Bless each and everyone in this time of sorrow and continue to Bless them all until it is their time to stand before God. She will be greatly missed. God needed another angel because some of us *NEED* more than one.
