“ John and Sharon were such amazing servants for the Lord at FBC Dover in the years we were there. As we partnered with them in raising their children, they were instrumental in serving, going and sharing with the youth ministry for so many young lives, not just their own kids. John was such a solid, caring leader!

I know you will miss John for a time, but won't heaven be glorious?

Thank you, Doug and Clydene What sweet words. We had precious memories with you both and our children dearly. loved you both. I am going to really miss my sweetheart and doing ministry with him. I'm so grateful for the memories I've had doing so many mission projects and ministry with John. I know he is with the Lord and reaping his reward for all his hard work over the years. You both are dear to us thank you so much.

“ My precious little brother I will miss you always. I will remember our childhood of playing in the woods in France with David Parkin. Playing cowboys and Indians using mom's broomstick as a horse, cops and robbers, tying towels around our necks and being super heroes, building towns in the dirt for our match box cars, swinging in the trees, playing house. Those were the best, carefree days. We moved a lot but I always had a playmate in you. I am so proud of the man you became. I will miss you until the day we meet again. Rest well and tell the family I love and miss them too.💔💔💔

“ John counseled me on a few occasions while I was trying to figure out a relationship with someone I was involved with. Then a mighty inspiration to me in the missions field; one that now fuels my work to spread the Gospel internationally.

“ Mr. John, the way you always lived your life for the Lord, and your family, was inspiring! In addition to being a real life E.F. Hutton with regard to talking about Jesus and people listening, your soft spokenness was so unobtrusive and I, for one, always listened to you more intently when you spoke of Him. Besides being a servant for Christ, for me and Rick, you were also a friend that we loved and respected. Your friendship meant the world to us and until we see you again, we will miss you. Thank you for always helping us, and my Mom, with every AC issue we had! You were always willing to help even after you "retired" and it was very much appreciated!

Thank you for being our friend...we love you and will surely see you again! 🙌

And, we will always be there for your bride... she's pretty special and holds space in our heart, too! 💙

Enjoy Heaven...save us a spot on the back forty!
