“ I have been away from the radio for more than I should have obviously. Just bought a new rig and wanted to call an old friend, John KE4UNO. I scanned the Lakeland area repeaters and was listening for his voice but I never heard it. I went to QST and searched for his call sign only to be devastated to see he has gone to the great beyond. John you will be missed and prayers to the family and friends here.

“ John was a wonderful friend to me. I enjoyed our phone conversations so much. More than anything I was happy that I had the opportunity to see John on his birthday a week before he passed. What I will always remember about him that stands out the most was his positive attitude, even when he was going through the tough times. He would think of everyone else before himself. Even if I had a minor illness John would make a point to check up on me. He was a true friend, a wonderful Christian man, who always kept his faith in God. I will truly miss John, but will never forget him. I will keep your family in my prayers. Cathy Weeks Morgan 3/17/2015

“ I did not know John well and only met him a couple times in person, but I heard him constantly on the K4LKL/R and WC4PEM repeaters. I admired him for his positive personality and the courage with which he faced his health challenges. His unique voice and upbeat spirit will be missed by all who knew him.

“ John , I remember riding the school bus with you in elementary school, and going through junior high and high school together. I also remember swimming in the pool at my house as kids and talking on the phone a lot. I cherished our friendship and always will. I will miss you but know for a fact you are in Heaven and in a better place than this world.

“ When I wanted to talk to John all I had to do was turn the repeater on and it wouldn't be long before I would hear KE4UNO. If I had a question about an old TV show, John was my favorite choice for getting answers. The answer was never short because John was very detailed and specific in his answers. Ernie KG4YNI

John, I'm so glad God gave you to me as my best friend. You fought the good fight, finished the race, and kept the faith. You are finally home in heaven, and you are free of all pain and suffering. One day we'll see each other again. Rest in Peace brother!
