“ I'm very sorry for your loss. I knew Wayne, his mother and father, and his sister Diane since I was a little boy. I just found out of his passing today. I am shocked and deeply saddened by the news. I have very many childhood memories of Wayne. I wish I had known of his passing before the funeral , so that I could have attended and been there for the family. “ Linda, John and Family We were so saddened to hear about Wayne. Just know that our prayers will be with you and your families...I would think losing a child before a parent would show to us the pain God felt when he gave His only son for us and our sins....I pray that you and John will be comforted by God and lean on Him when you think you just can't stand it any longer.... Love and Prayers Linda and Pokey Smith##imported-begin##Linda and Pokey Smith##imported-end##
