“ I remember John from my younger brother. He used to bring this weird kid who had a toe ring home to hang out. He was strange but funny. Later on in life we were room mates for a year or so. John was always funny and full of surprises. Lost touch with him for allot of years. Reconnected on Facebook, wish we could have hung out more. I'm sad that he is lost so early in life. It breaks my heart his kids and wife wont get to see him anymore. RIP Mangler, rip some lips in that big ole pond in the sky brother.

“ My thoughts and prayers are with Jamie and the kids. My heart breaks for you all. My first memory of John would be from Tomlin middle school. When he asked me if Id go out with Mark lol he always had me cracking up laughing. Being around him and Mark...forget it...I pretty much needed to be wearing Depends!! My love and prayers go out to the family.

“ Although we never met face-to-face, we became friends through all of our fishing connections and common sponsors. He was full of energy, and was always great to talk to. He was connected to many throughout the industry, and he proudly represented many fine companies. He was a great ambassador and friend and he'll be greatly missed. Have fun catching Heaven's biggest bass, and save some for us!!

“ I only had the pleasure to meet John once but he and my husband are friends. If not for John and his love for bulldogs we wouldn't have our wonderful and perfect bulldog, Gunner. Our thoughts and prayers are with John's family and friends.
