“ I have known John & the Shivers family all my life. I grew up next door and John & I were the closest in age. I can remember helping him collect eggs so he could finish his chores and play. I was a tom-boy and loved baseball, basketball and horses. John won a pony at the rodeo and I helped him with curing the horse's rearing up problem and got a broken nose in the process. I know John as a descent, kind and caring man. May God comfort you and let fond memories replace your grief as you heal. Donna Campbell Sizemore
