

Mr. John Trnka

April 2, 1964 - February 4, 2023

John Trnka, 58, of Lakeland, Florida, passed away Saturday, February 4, 2023. John was born April 2, 1964 in Plainfield, New Jersey to Mary Trnka. He was a devoted son, husband, and father. John loved his New York Yankees, New York Giants, and Florida Gators. Those left to cherish his memory include his mother, Mary Trnka; wife, Heather; son, Dominic; as well as many other family and friends. John worked 30 years with Sears until they closed their doors. Deciding to have a change in careers, he went to work with Hopewell Funeral Home where he was employed until his illness prevented it. John really enjoyed spending time with family and friends. He also had a true love for guns, fishing, hunting, mudding, and any other outdoor activities. Per John's request, he will be cremated and no service will be held. There will be a visitation on Thursday, February 16 from 6-8:00 P.M. at Hopewell Funeral Home, 6005 South County Road 39, Plant City. Expressions of condolences at www.HopewellFuneral.com.

“ *One day at Sears when John and Heather just began dating, and I was the operations manager, and he was in charge of loss prevention. He came up to me and he said he had to leave early for the day as in right away. I said John, what's the matter. He says Heather was mowing the lawn and fell in a hole! Obviously I was a little perplexed and I said don't you think you should call the fire department since you live about 45 minutes away. He says no I can get there in 25 minutes and she needs me, and I will take care of it. Of course I thought this is a ridiculous situation, but after a while of watching the both of you interact together, I realized that day he just wanted to go see you, and be with you, and at that point, it took precedence over a slow day at work. I've laughed and laughed and never forgot that day as it was quite a Bizarre excuse but I guess nothing is bizarre if you're going to see the person you love. Rest in peace, John. Keep great memories Heather and Dominic. Jack B.*

That's because he was married at the time when he started dating her. He forgot about his wife and son. His son only found out of his passing online. What kind of person doesn't tell his son that he passed?

“ I had the privilege of working with John for many years at Sears. As fellow managers, we shared a lot of challenges but also many gratifying times. Also, as fellow New Jersey-ites, we shared many personality traits, so we understood each other when maybe others did not Though I have not kept in touch since we left Sears, I did think of him often. I was sad to hear of his passing, and my prayers are with his entire family during this time.

*God Bless,
