“ 5 months later and I still am deeply saddened by such a loss... I knew Augusto for 7 years and that was enough time to experience happy moments through some bad ones. Regardless, he had a big heart for those who loved him. He was always open for new adventures and new friends, a free spirit. Him and I shared many laugh together as he was a goofy guy lol I'll never forget the jokes we shared. Those moments will always make me smile. Now I know he is finally with the lord he really respected and is at peace. Every time I visit him I always make sure to remind him that we will all eventually be with him again. He will always be remembered as my 2nd brother who I love unconditionally. Take care augusto and enjoy your time with God, your parents and family miss you like crazy and are all looking forward to finally reunite. We all love you Gus :) Rest In Peace <3

“ I'm heartbroken. Jose was such a beautiful person. I can't believe he's gone. I wish I could see my friend one last time. I'm sorry I didn't keep in contact with you and I'm sorry that I never got to say goodbye. I know that you are God's Angel, looking down on us ♡

“ I live in your neighborhood. Jose went to school with my son Michael. He was a guest in my home a lot. Your son was always a very nice young man. I always enjoyed talking to him. I will miss Jose and he will always be in my heart. He was a good person.
