“ *Just know that he had a good life with his family. the Lord has been very good with the time that he allowed Joseph to be with you all on this side of the veil. This is a road we must all travel, and in so doing, we will see him again in a grand reunion. Hold on to the good memories that you had with him, and remember all that he taught you. Be good to each other because this is what he would want. Be happy that your mom and brother now have him with them. Keep on loving each other, and do not lose touch. My sincere condolence to you all. Norma Devonish*
