“ *Hope in the Spirit (Rom 8:22-25)*

The biblical concept represented by the English word hope is so strong that it is almost a synonym for "eager expectation." The focus of the expectation isn't that life will get better here; it is absorbed with the glorious life to come.

My brother Joey will be missed dearly, even at the un-timely surprise of his new journey, I am not found without hope...

We will be in constant prayer for our family may God keep your tender hearts in His comfort...

Love,

Steven and Trelis

“ It would be impossible to share just one memory, growing up next door to Ricky and Joey for years . I can honestly say he transformed from that pesky little brother into a great Man . To sum it up I will never be able to repay the time when I was in the hardest time in life sitting in a emergency room late at night and who found there way in , and when asked how he got in a simple reply was I told them I was family and also a minister of the family . He will always have a special place in our hearts and can't imagine the happiness that he has found to be true . Michael Meeks and Family .
