*Matt was a terrific husband and father that loved his wife and girls so much. I will always cherish the days we videotaped him FaceTime calling his girls and sharing with them his love for them and his grandkids. Meanwhile even though he was so very sick he managed to be that Special Daddy kidding and laughing with each one of them and your grandkids. I pray these Special memories and many others will endure a lifetime of Joy, Peace, and Comfort for All. God Bless you always Matt , R.I.P. until we meet again. You were always my favorite brother-n- law. Love you forever.
