“ To my mother like no other. Your will always be an inspiration to me and all your family. We talk of you often and always laugh about your fun loving adventurous spirit, your "life of the party" character(which is probably happening up there now} and your deep care and love for others. I have so many fond memories I cannot count them all. Thanks for being an awesome mom. All my love, your son....Troy

“ First of all i wanna offer my condolences to the the family. Ever since the first day that i met Jodie i saw her as a person who was very outgoing and would allways help others when they needed it. She also loved the lord and when we would talk on the phone she would allways pray with me. I will miss u Jodie,God bless u###imported-begin##Ron Donlin##imported-end##

“ My heart broke, the day you left us Aunt Jo. You use to call yourself a "Prayer Warrior" and that was the truth. You always believed in us even when we didn't believe in ourselves. Thank you for the many paryers you prayed, they did make a difference. I can not be with the family when you lay to rest, but know all my love and sympathy will be with them. I will truely miss you more than you will know.###imported-begin##Rhonda(Gray)McGuire & Family##imported-end##
