“ Dear Glover Family,

My name is Winter. I am a volunteer in my local community, seeking those that are mourning and grieving. I aim to support and comfort them in their difficult time. I read your dear one's obituary. I just wanted to say that I am very sorry. My condolences to you all. What I found to be the most comforting is God's Word. Because it promises that "all those in the memorial tombs will hear his voice and come out".(John 5:28) When you think about your loved one and miss them so much it hurts, please read Revelation 21:3,4. I know those words will supply the comfort, and strength to get through.

Sincerely,

Winter Gainey
