“ I was lucky enough to be one of Judy's friends, attending Junior High and High School together. We shared many laughs, slumber parties, and fun times growing up together. She will be in my heart forever.

Judy will certainly be missed. She was a classmate of mine in 1964 always had a smile on her face and was popular with everyone. We shared a commonality recently having lost our husbands on the same day and we had numerous conversations sharing our grief rest in peace, beautiful lady
