Juli even thought we lost contact after graduating I do know that you were always a true angel sent from God. Your silliness always brought a smile on everyone's face there was not even one person that could be sad around you. At this point you are in a better place watching over all of those that truely love you. You will be truely miss.

“ *My precious Baby Juli aka THE BOSS, I want you to know that I love you with all my heart. I will miss your laughter, silliness and the way you lived your life without a care. You never took anything seriously and was always telling me to chill and not be so serious. You grew up to fast. You did mischievous thing that kids did but I could never stay mad at you because you found a way to my heart. I know that you are in a safe place no more pain, suffering, ct scans, mri, x-rays, surgeries, blood drawn or any more tests. You are free now and whole. No scars, feeding tube or treck. WHAT A RELIEF YOU MUST HAVE. Mamita enjoy your new life and fly around up above. Keep blessing us with your mischievousness. Love you always MOM.*
