“ Our thoughts and prayers are with your family during this time of loss. We love you Peggy, and we are here if you need anything. Your mom was a sweetheart and always with a smile. I know you will miss her but hope you can find some comfort in knowing she is at rest and at peace now.

“ *What can I say about this wonderfully beautiful women, I met her 30 years at her home. I walked into her house a friend of her daughters and left the same evening as part of this great family. You know she loved you if she made you a fresh pot of coffee when you walked in the door (she made the best coffee). I have to be selfish and say I am sadden beyond life and part of my heart is gone, but blessed more than I can imagine for getting to be part of her amazing life. She inspired me to push through whatever life hands us the good, the bad and the hurtful. The last thing I got to do to make her smile, she ask me to make her some aprons; when I took them to her she was so taken with one of them that she started to cry and you know what I like I knew you could do it, she said Delores I just love you so much and you and Peggy are running tit-for-tat in my book. To be this tiny beautiful women she was larger than life. Mimi I know that you are the brightest star in heaven, until we met again shine on my sweet friend and make Jesus some coffee he will love it.*

*Love beyond measure,
Delores (your adopted daughter)*

“ *So sorry for your loss. She was a sweet precious lady. I always admired and respected her. She had this graceful and elegant way about her. She always spoke good things and she definitely had a lot of swagger. A beautiful lady inside and out. I feel sad for you all as I know you will miss her. You will all be in my prayers. I pray for God's healing comfort for each of you. Sending love and hugs.*
